Professional Summary

Recent B.Tech graduate in Computer Science (Data Science) with hands-on experience in Python, Flask, REST APIs, and full-stack web application development. Skilled in backend development, API integration, database management, debugging, and machine learning fundamentals. Experienced in building secure and data-driven applications through internships and projects. Seeking opportunities in Python Development, Full Stack Development, or Data Science.

Technical Skills

Languages: Python, Java (Basic)

Backend: Flask, Node.js, REST API Development

Frontend: HTML, CSS, JavaScript, React.js (Basic)

Databases: SQL, MySQL, MongoDB

Tools: Git, GitHub, Streamlit, VS Code

Concepts: OOP, Data Structures, SDLC, Debugging, API Integration

Data/ML: Scikit-learn, Data Processing, ML Model Integration

Experience

Python Developer Intern, Hackveda Solutions

Jan 2026 – Jun 2026

- Developed backend modules and REST APIs using Python and Flask.
- Integrated MySQL/MongoDB and optimized queries for performance.
- Debugged applications and improved reliability using structured testing.

Cybersecurity Intern, Codetech IT Solutions

Jun 2025 – Jul 2025

- Built Python scripts for encryption and automation using AES-256.
- Applied secure coding, debugging, and performance optimization.

Data Science Intern, AcmeGrade

Sep 2024 – Nov 2024

- Developed predictive models and performed data preprocessing.

Projects

Blockchain-Based Online Voting System (Python, Streamlit)

- Built full-stack web app with REST APIs and blockchain-based data integrity.

Advanced Encryption Tool (AES-256) (Python, SQL, Flask)

- Developed secure file encryption and decryption system Web Application.

Image Caption Generator (Python, ML, Streamlit)

- Created web app generating captions using ML models and backend APIs.

Education

B.Tech in Computer Science (Data Science)

2022 – 2026

KG Reddy College of Engineering and Technology | 76%

Intermediate (MPC)

2022

Iqbalia Junior College, Hyderabad

Percentage: 86%

Secondary School Certificate (CBSE)

2020

Shivaji Vidyapeeth School

Percentage: 65%

Certifications

IBM Artificial Intelligence | Microsoft Skills for AI | Tata iQ Simulation | Commonwealth Bank Simulation

Additional Information

Languages: English, Urdu, Telugu, Hindi
